Trail Boss Report- Terry Loging

- Rip Rap on Doc's and Kohlmeier's is delivered but still needs to be put along the banks after the crops are removed.

- Steve will work with Heath to get this done.
- Bike Trail, Golf Course, and Nick's Bar sections can be signed any time, all crops are off.
 - Terry still needs to talk with Stello regarding how he wants the trail to run this year on Kohlmeier's section, but we can sign up to Hwy. M, and back to the pasture from Mark Schomberg's.
 - All other sections have crops standing yet, making trail install impossible.
- Steve will ask Nathan Batzel if he can repair a small washout on the trail near the road on Doc's, along with some minor work along the trail where the bank always collapses.
- Tom will fix the tire on his sign trailer.
- Trail brushing on the bike trail that was originally scheduled for 10/31 is now moved to the following day: Nov. 1st., as there was no one at this meeting available to work on Sat.
 - People can meet at the Barre Country Diner at 7am, or at Steve's house in West Salem at 8am: 104 Harmony st N,, West Salem, WI 54669.
 - Bring brushing equipment if you can. We currently have 7 people that can work.
 - If we can get 5 more people, we will send a crew in each direction...
- Trimming trees along Schneider's old farm on Jandt's should be done sometime this year if we can.
